INTERVIEW SUMMARY

On July 24, 2008, and again on July 28th, 2008, Applicant spoke with Examiner Rankins regarding the issued notice of non-compliant amendment mailed July 22, 2008. On July 28th, 2008, Examiner Rankins indicated that he was withdrawing the notice of non-compliant amendment, and issuing a new notice of non-compliant amendment that provided for a 30 day response window based on Applicant's previous response appearing to be a *bone fide* response and based upon the short response window that the previous notice provided. Examiner Rankins further indicated that while he was entering the action on July 28th, it would not mail until August 4, 2008. Examiner Rankins further indicated that such timing would not result in the abandonment of the application.

Respectfully submitted,
